The author and his employes have found that the goggles worn by automobilists are a great help. They are often sold by opticians, or can be secured through the Chicago Eye Shield Company, 143-145 Clinton Street, Chicago, 111. A 5 per cent solution of hydrochloric acid is useful for removing the lime-sulphur from clothing. Orchard Conveniences.--The orchardist who has to spray several times every year needs to have a handy supply of water which he can always depend on. It is good economy to have a well with a good pump near the orchard so the spray tank can be filled in a short time. It is expensive to have to haul water. It is also a good plan to have a spray platform some distance above the ground for mixing the liquids, which can then be poured directly down into the tank. A cypress tank, of good capacity, in which the liquid can be mixed while the sprayers are in operation, will save much valuable time and lessen the cost of the labor. Should Infested Trees be Taken Out or Severely Pruned?--Growers are sometimes too hasty in cutting down badly damaged trees. The San Jose scale is so easily controlled that injured trees, if not too old, will quickly revive, if they are freed of their pests and stimulated with fertilizers and good cultivation. For trees that...
