Pringle, Chairman, Chicago: Dear Sirs, - Pursuant to your instructions, an investigation has been made of the books, accounts and records of The Peoples Gas Light Coke Company of this city in order to ascertain the reasonableness of the present net rate of 85 cents per thousand cubic feet for manufactured gas. The results of such investigation, together with the conclusions arrived at, are herewith submitted. As desired by your committee, the rate recommended for substitution in place of the present charge is a uniform rate for all purposes, regardless of the amount consumed. In this connection, I beg to express my gratitude for the generous assistance which I have received from those associated with me in various capacities in the work of this investigation. Their loyalty is greatly appreciated. I feel especially indebted to Mr. W. J. Huddle for his valuable services in an engineering capacity, for which he deserves great credit.
